TECHNICAL SKILLS

EDUCATION

Bachelor of Fine Arts, Digital Arts
Bowling Green State University
Bowling Green, OH

Digital artist with 4+ years of experience in graphic design, print and digital layout, and animation. Equipped with in-depth knowledge of the Adobe Creative Suite, and key transferrable skills in communication, teamwork, and time management built from experience working both independently and on a team.

EXPERIENCE

Media Arts Specialist

La Rabida Children's Hospital - Chicago, IL
July 2021 - present

- Create exciting digital and print assets including brochures, posters, flyers and other communication materials that reflect brand standards.
- Design themed digital and print assets for annual hospital gala and golf fundraisers and other special events.
- Brief external suppliers and manage internal graphic requests to ensure deadlines and requirements are met.
- Design and manage production of the Currents monthly newsletter (print and electronic), quarterly volunteer newsletters, annual reports and other publications that help strengthen brand awareness.
- Assist public relations team with producing quality photography and videography that tells a compelling and engaging story for external media.
- Maintain hospital website to ensure correct, up-to-date material is being presented.
- Develop and maintain multimedia asset libraries.
- Work with executive leadership on special projects.
- Follow trauma-informed approach to inform patients and families about hospital consent policies.

Graphic Designer, Freelance

Multiple locations
Summer 2016 - Summer 2021

- Used digital illustration, photo editing, layout software and 2D mediums to create designs.
- Designed t-shirts for the 2016 - 2019 Zoo Olympics for the Concessions department of the Toledo Zoo.
- Designed t-shirts, magnets, posters, and logos for various clients to reflect their artistic needs.

Production Artist

A Finishing Touch - Houston, TX
December 2019 - April 2020

- Used digital illustration, photo editing, and layout software to create and edit designs.
- Created individual designs with applicable layouts, colors, images, and fonts for client projects.
- Performed website maintenance to reflect current stock.
- Worked closely with other departments to create a complete final product.
- Photographed finished products for documentation and future retail reference.

Concessions Supervisor

Toledo Zoo - Toledo, OH
June 2013 - December 2019

- Flourished in a fast-paced environment during peak hours.
- Lead training sessions for new frontline hires.
- Assisted and communicated with customers in one-on-one interactions.
- Followed and upheld compliance with rules and safety codes.
